

9 Ways To Pay For College

Ways to pay	How do I get it?	Do I have to repay it?
1. Current Income	Use the money you already have and the money you are currently earning	
2. Help From Family Members/Other Sources	Ask for help from family or other sources of support	Depends on whether or not you have agreed to pay it back
3. Savings	Save money	
4. Grants	Apply for financial aid	No
5. Scholarships	Apply for financial aid	No
6. Work Study	Apply for financial aid	No, earned by student through work at school
7. Parent Loan	Apply for financial aid	Yes, with interest
8. Student Loan	Apply for financial aid	Yes, with interest, but no payments are made while still in school
9. Community and Military Service	Volunteer or join the military	No, earned through their service

Students pay for their education by using some or all of these methods. Which will you use?
